

# Materials Science & Engineering UNIVERSITY OF TORONTO

## Position: **Undergraduate Summer Student**

The Department of Materials Science and Engineering is looking to hire 2 part time senior Undergraduate students this summer. The position is open to all incoming 4<sup>th</sup> year students including those returning from PEY as well as 2017 graduates.

Experience: working with illustration software is an asset.

Under general supervision of the Associate Chair of Undergraduate Studies, the incumbents will be developing schematic illustrations (concept maps) to visually showcase the undergraduate curriculum for our Department. These diagrams will show how the program flows from one year to the next looking at different vantage points such as math, thermodynamics and design etc. The completed project will be showcased on the Departmental website as well as the MSE conference room to be used as a reference point for both Students and Faculty members.

**If you are interested in this position please submit your resume to Fanny Strumas [strumas@ecf.utoronto.ca](mailto:strumas@ecf.utoronto.ca) by May 23<sup>rd</sup>.**

Interviews will be held on the 24<sup>th</sup> and 25<sup>th</sup> of May and the position will run from June 5<sup>th</sup> to August 31<sup>st</sup> 2017.

At the end of the summer, incumbents are required to submit a 1 page document about their work experience. Hours worked can be used towards 600h practical experience requirement.
