## [APPLY ONLINE](#)

### **About the role**

We are seeking talented, motivated people to help us create the next generation of Stelco, known for consistently out-performing the competition, delivering superior returns, and creating value for our customers as a world-class supplier of innovative steel products and solutions.

This position will report to the Area Manager – Hot Strip Mill at our Lake Erie Works facility.

Safety is the Core Value of Stelco and the individual will make Safety the #1 priority in the execution of all work activities, including monitoring contractor/vendor safety in support of work efforts.

### **Your day-to-day**

- Administration of the Stelco safety program to ensure a safe work environment within the Operating facility
- Develop understanding of manufacturing processes in the Hot Strip Mill to become a specialist in your assigned unit
- Cross train with other units to broaden your understanding of the Hot Strip Mill operations
- Utilize both analytical skills and hands on training to provide recommendations on process improvement
- Interact cross-functionally with operating and maintenance personnel to identify problems and implement solutions
- Provide relief coverage for Shift Managers

### **What you bring to the table**

#### **Job Qualifications**

- Diploma or Degree in Mechanical Engineering, Materials Engineering, Manufacturing Engineering Technology, or Bachelor of Technology by June 2017
- 0 – 2 years of professional work experience

#### **Job Skills and Knowledge**

- Good interpersonal and leadership skills
- Good oral and written communication skills
- Good problem solving skills
- Ability and desire to work in a shop floor environment

- Good computer skills
- An enthusiastic approach and ability to learn quickly and assume responsibility
- As an individual contributor, qualified candidates for this role also must demonstrate the ability to champion change and effective communication while contributing to team success.

**Your work environment**

- Both office and mill conditions, wearing PPE will be required

*In accordance with the Ontario Human Rights Code and the Accessibility for Ontarians with Disabilities Act, Stelco is an equal opportunity employer who is committed to providing an inclusive and barrier free recruitment and selection process. Applicants should advise Human Resources if they require any type of accommodation during the recruitment process.*
