

**ICAMP Engineer in Training Intern  
COMPETITION # 04/15  
\$23.79/Hour, 35 Hours/Week  
MAY 2015 to MAY 2016, with a  
possibility of a one year renewal**

**QUALIFICATIONS:**

- Graduated within the last three years with a degree or diploma from a recognized post-secondary institution in a field of study related to mechanical engineering, robotics, metallurgy or materials science, or a related field.
- Preference will be given to candidates holding a bachelor's degree in engineering from a university program accredited by the Canadian Engineering Accreditation Board.
- Ability to work effectively with Canadore staff, student and ICAMP clients.
- Bilingualism is an asset.
- Preference will be given to Northern Ontario Youth.

**DUTIES:**

- Work as part of the ICAMP technical team in executing projects for industry clients.
- Work directly with ICAMP partner companies on project scheduling, equipment use (3D printers, 3D scanner, CNC, microscope and Solidworks, etc.), research and liaison with community stakeholders.
- Support and perform regular lab/equipment maintenance activities.
- Perform administrative duties such as invoicing and ordering of supplies.

A cover letter together with a current resume, **quoting the above competition number**, will be accepted by the Human Resources Department, Room C343 or by E-Mail at [hrinfo@canadorecollege.ca](mailto:hrinfo@canadorecollege.ca) or by Fax: 705-474-8005, until 4:00 p.m., May 21, 2015.

**Canadore College is committed to diversity, inclusion and equity.**

While we thank all applicants, only those selected for an interview will be contacted.
